Except as provided in Regulation 3-5, no qualified person shall be entitled to benefits under the Act within the Province unless he has been admitted to a hospital as an in-patient upon the recommendation of a duly qualified medical practitioner who is a member of the medical staff of the said hospital, and unless a case-history and a complete diagnosis of his physical condition are made available to the hospital and the Commissioner within a reasonable time of his being admitted to hospital. Such a qualified person shall be entitled to benefits as aforesaid for the number of days thereafter that is determined by the Commissioner to be the period of time during which such a patient requires treatment or services in respect of acute illness or injury or the acute stage of a chronic disease; and to assist in determining the length of time during which a patient shall be entitled to benefits under the Act, the Commissioner may from time to time require the hospital to secure from the patient's attending physician a written statement regarding the patient's condition and the necessity of his receiving services or treatment as aforesaid during all or a portion of his stay in hospital.

3-3. No person shall make a certificate pursuant to Regulation 3-2 unless he is of the opinion that there is a definite medical necessity for acute in-patient care for the person to whom the certificate applies.

3-4. No hospital shall be required to admit a person as an in-patient if the physician or other person in charge of the hospital is of the opinion that there is no suitable accommodation available for such a person in the hospital.

3-5. Where a qualified person has not been admitted to hospital as an in-patient but has been rendered emergency services within twenty-four hours of being accidentally injured, or has received treatment which has been designated by the Commissioner as "minor surgery," there shall be paid to the hospital by such a person the sum of \$2. Where the cost of such services or treatment exceeds \$2, the hospital may, at the discretion of the Commissioner and in the manner prescribed by him, receive payment of the amount in excess thereof from the Hospital Insurance Fund. In respect of all other treatment or services rendered to a person who is not an in-patient, such a person shall pay to the hospital the total cost of providing the treatment or services as determined by the hospital.

Benefits Outside the Province

4-1. A beneficiary who receives treatment in a hospital outside British Columbia shall be entitled to have payment made on his behalf to such a hospital pursuant to section 34 of the Act if he has not been absent from the Province for more than three months, provided always that where such a beneficiary receives hospital care or treatment for accidental injuries received as a result of the wrongful act or omission of some other person, the Commissioner may reduce the sum to be paid on behalf of the beneficiary as aforesaid by the amount of any settlement or award received by the beneficiary, in respect of the cost of such hospital care or treatment, from the person alleged to have been responsible for causing the accidental injuries as aforesaid.

4-2. Any payment made under Regulation 4-1 shall be at the rate fixed by the Commissioner in relation to the charge made by the hospital for providing in a public ward the benefits specified in Regulation 3-1. Payment from the Hospital Insurance Fund under Regulation 4-1 shall be made only to hospitals approved by the Commissioner, and shall not exceed \$3.50 per day for new-born infants and \$8 per day for other beneficiaries for the period of time determined by the Commissioner, and in any event for not more than thirty days unless authorized by the Minister.
